## Mares / Dacor Trade Up Program

If you have a pre-2000 Dacor Regulator that can no longer be serviced, you can step up to either the Mares Abyss for \$299, or a Mares MR12 Rebel for \$149. To take advantage of this offer, ship your regulator and this completed form to ScubaToys at the address listed above. We will process your order as soon as we receive it and ship your regulator within 1 business day. If you would like to send in the entire regulator system, we will swap the hoses and other components at no charge. If doing more than one trade up, use a separate form for each trade up. This offer expires Sept. 30th, 2006. If you have any questions, call us at (972) 406-2996 or toll free (877) 728-2243.
